Thank you for being a part of the 2017 Rip's Ribs Cook Off. We appreciate your participation!

This is our 4th year to put on the Rip's Ribs Cook Off, and it has been put together through a cooperative effort by the Eastland Chamber of Commerce, Eastland Economic Development, City of Eastland, the Eastland "Old Toads", and numerous volunteers.

We all recognize the fact that an event such as this is a learning process, and as such, we know that we may encounter minor "glitches" here and there. If you encounter a problem during the event, please let us know so that we may work to make this a great event that you want to participate in every year. We anticipate that Rip's Ribs Cook Off will continue to grow and improve, and it will be a fun and exciting event for all. We hope you have a great time and make many new friends while you compete for cash prizes!

There will be a MANDATORY COOK'S MEETING at 9:00 am on the day of the event. All additional questions and information will be handled at that time. You will not be eligible to cook if you are not at the meeting.

Some simple rules:

1. All vehicles must be out of the event area by 8:30 AM.
2. No ATV's or golf carts will be allowed in the event area after 8:30 AM except event staff vehicles.
3. Eastland has a City Ordinance that prohibits the possession or consumption of alcoholic beverages in a public place.
4. Cooking teams are allowed to give away or sell samples to the public, however, no team will be allowed to give away or sell ribs that are provided for the competition.
5. Only the meat provided by the staff will be used in the competition. Any team submitting "outside meat" will be disqualified. The ribs provided will be St. Louis-style pork ribs.
6. You may cook the meat in any manner you wish; however, the meat may not be branded, marked, or arranged in any manner to identify the cooker or team. Any such marked entry will be disqualified.
7. There will be a preliminary judging of the ribs by a team of judges. They will narrow the field down to the ten best entries. The celebrity judges will then select the five best entries and grade them from one to five.
8. Ribs will be judged based on taste, appearance, texture, and tenderness. Instructions will be given at the cooks meeting for arrangement of the ribs for judging.
9. Each team's entry will be composed of a number of individual ribs coinciding with the number of preliminary judges and the ten finalists will then submit a number of individual ribs coinciding with the number of celebrity judges.
10. Judges' rulings will be final.
11. The Eastland Chamber of Commerce staff will be happy to answer any questions you may have about event procedures. On the day of the Cook Off, you can reach Chamber staff by cell phone at 254-488-2481.
12. LET'S MAKE SOME SMOKE!
